

People learn best when they are actively involved and having fun. We use simple concepts and apply corporate values to our programs so that participants can apply what they have learned to achieve results back in the corporate world.

We take great efforts to listen and understand customers' industries, current management challenges and climatic conditions in order to create a unique learning experience. Definitely, the team spirit is stronger both in and out of the office as a result.

Gold Coast “Lifestyle” Team Building Programmes

Sightseeing – Hiking

The Sightseeing-Hiking program is a combination of relaxation and team bonding. It is not only a physical challenge but also a training on how to cope with difficulties and enhance the team spirit. The hiking will take place at Hong Kong's country parks – the pristine areas ideal for a refreshment.

Art – Art Jamming Cellar

Led by a professional trainer, teams will be given an opportunity to utilise their creativity and imagination within an Art Jamming experience. Teams need to plan and communicate in order to meet the objective of delivering a ‘one team, one concept’ masterpiece. Each team member will be rewarded with a bottle of German wine.

Cuisine – Magic Kitchen

A unique team building programme that encourages participants to work “Together To Win”. Rather than adopting the common competition format, our trainer will instead promote synergy within the team, with an activity that can highlight your company mission and values.

Team Building

A series of ‘on the ground’ team building activities designed to help your team members fortify their team spirit, productivity, and professionalism. Tailored to suit your needs, our programmes emphasise the importance of organisational culture and team spirit, while instilling a sense of harmony within your team.

African Drums

Led by professionals, our African Drums programme offers a unique experience in which participants not only learn to play a musical instrument, but also to work collaboratively with their colleagues for a more impressive outcome. Participants will develop enhanced communication skills and more effective listening skills as they work to synchronise as a team, to collaboratively create a musical masterpiece.

Hunting Challenge in “Goal Coast”

Facing keen competition, teams need to overcome different challenges by leveraging the talents of its members. Observation and determination are the keys to winning the Hunting Challenge. The primary objective of the team is to communicate a clear strategy for dealing with each task and finding the resources required to achieve the overall goal. Teams will face risks, changes and the impact of competitor actions.

War Games

Simulated war game exercises are designed to provide a unique opportunity for participants to develop team building and leadership experience in a military setting. The art-of-war training focuses on effective leadership skills, crisis management skills, and team bonding skills, to help team-members foster better interpersonal relationships in the workplace while setting and achieving goals.

Harbour Cruise

Embark on a boat cruise from the scenic Hong Kong Gold Coast to the outlying Lantau Island, admire the breathtaking sea view along the way with your teammates to foster interaction and form a bond.

Collaborative Games

Our wide variety of unique interactive games has been designed to create a learning experience in an energetic, fun atmosphere. Our collaborative activities provide an opportunity for participants to bond with their colleagues through planning and teamwork, as well as to relax and celebrate after reaching their goals.
